 and round about!  
 May 2024

Many thanks for all your comments and responses to the April editorial re bungee jumping. We were hoping to show you some photographic evidence - maybe next month. You will be glad to learn that there have been no fatalities!

Rushton is building up for the D-Day commemoration on 6th June - the 80th anniversary of the Allied landings in Normandy. In this edition you will find all the information you need to participate on the day.

There are so many activities going on in our community - there has to be something to please everyone - minibus trips, lots of events at ‘The Thornhill Arms’, the village cinema, a quiz night at the Village Hall, afternoon teas also at the Village Hall, the monthly Coffee Morning at the pub, a lovely concert in the church etc. It would be lovely to meet some new faces - whether you are new to living in the village or long-time residents. The community is not the village, it’s the people in it.

We could also do with some more responses for ‘The Triangle’ - not just praise or criticism - we need interesting articles about topics of interest, about gardening, wildlife, hobbies, etc. You need about 250 words and a nice photo or two to fill a page. It would be especially good to hear from Pipewell, Glendon or Storefield.

## **RUSHTON VILLAGE FETE**

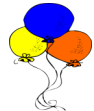

### **Sunday 9th June 2024**

Your fete needs you!

We are planning the village fete which will be held at the cricket club on **Sunday 9<sup>th</sup> June** from 1.30 - 4.30 p.m. It is always a great community event, which needs the community to enable it to run. The benefit to you is that helping out is a good way to get to know other members of the village community!

We are looking for people to help on the day by running stalls, managing the car parking, and doing gate duty.

If you can help for part of the afternoon, please contact Amanda Frogley on [manfrog@btinternet.com](mailto:manfrog@btinternet.com)

Dear parishioners and friends,

Rushton Parish Council is organising a commemoration of the 80<sup>th</sup> anniversary of D-Day in line with events taking place throughout the country on Thursday 6<sup>th</sup> June 2024. An invitation is extended to all parishioners and friends to join together for some or all of the events.

The day will commence at 8.00am with the reading of the D-Day 80 Proclamation, at the war memorial by our local village crier, Nigel.

From 6.00pm the Thornhill Arms and gardens will be open for a social occasion with forties style entertainment and Fish & Chips.

The Fish & Chip supper is in recognition that this meal played a large part in feeding the country and boosting morale during the war years.

If you would like a Fish & Chip supper (served in a take-away box) provided by the Thornhill. This must be pre-ordered by Saturday 1<sup>st</sup> June. A children's portion and vegetarian option are also available.

## **TRESHAM BENEFICE MOTHERS' UNION**

For our April meeting we welcomed members of Kettering Deanery and some others to our celebration of Lady Day which had been moved from its usual date of 25<sup>th</sup> March as that was in Holy Week. Revd. Margaret celebrated Communion for us in Holy Trinity and afterwards we shared fellowship with tea and cake.

Our May meeting will be on Wednesday 15<sup>th</sup> at 7.00 p.m. in Holy Trinity (note change from usual time) when Helen Lynett, just re-elected as our Diocesan President, will be our guest speaker. She will be showing a video of last year's Annual Meeting in York and also speaking about various initiatives set up by the Mothers' Union around the world.

This is an open meeting and we look forward to seeing everyone who can come along.

For further information our branch contact is Brenda Austin (Telephone:710258)

## **Tresham Benefice Fellowship**

After a very informative visit to Desborough Heritage Centre, members are asked to book a place on the minibus for an outing to Jeyes museum at Earls Barton on May 16<sup>th</sup>. The cost will be £5.00 each, meeting outside Holy Trinity Church Rothwell at 12 noon.

Tea and coffee will be available at an extra cost.

First come, first served as there are only 16 places available on the 'bus, but of course you can make your own way there. The Fellowship programme is now available from me. Lots of varied events.

[www.FixMyStreet.com](http://www.FixMyStreet.com) is a website for reporting common street problems like potholes, broken streetlights, and dog fouling to your local council.

It is run by the UK charity my Society and was launched in 2007.

The great thing is you don't need to know who's responsible for fixing your problem. You just put a pin on a map, and **FixMyStreet** sends your report to the right council.

Problems are also published on the **FixMyStreet** website, so you can browse your local area and see what the prevalent problems are and what's been fixed.

You can also upload a photo to help show what the issue is.

Once you've sent your report, it goes straight to the council, who will get back in touch with you directly.

## RUSHTON POCKET PARK

A new season is upon us and you may have noticed the Conservation Volunteers doing some valuable work recently, (despite the bad weather) Peter has done his first mowing and Elaine and I have been out there weeding the raised beds. All the plants kindly donated last year by Richard's Plants, have done very well. The cowslips and the blossom have been the main features during April, but it is all looking very lush and green. (Pictures on page 20).

It only took the two of us 55 minutes to weed the three raised beds. If you would like to volunteer to do specific jobs like that one, you would be so welcome. There is always plenty to do and we will soon be embarking on the next phase of our three-year renovation project once we have secured some more funds.

The Pocket Park is home to many species of flora and fauna - if you are interested, find the link on iNaturalist and you will see a lot of entries.

It is not a 'tidy' place, so don't expect that - it is a beautiful green space in the heart of the village, which is peaceful to visit and rewarding if you like watching nature at work.

### **POINT TO PONDER FOR MAY 2024**

In the recent TV programme “Mammals” narrated by David Attenborough there was a very thoughtful and poignant episode on how animals can/cannot survive in a minefield. Vast areas of arable and grazing land are now minefields where few mammals can survive except species like the wolf. Vast areas in the Ukraine, Israel and Palestine, and Africa and other places on the earth which once were able to feed their people can do so no longer. Human beings (mammals as we are) are responsible for minefields. This scourge on the surface of our planet is a direct result of “man’s inhumanity towards man.” We still refuse to answer God’s basic question to our conflicts which started with the murder of Abel by his brother Cain. (Genesis 4:8,9 and 10) “Am I my brother’s keeper?” This is the age-old defiant attitude to our actions as nations. We still hold fast to the belief that war can settle human disputes. It is not only the blood of our fellow humanity that pollutes the land but the discarded weapons of war down through the ages. We put our humanity at risk if we ignore these rubbish dumps. We need to be reminded that our continued neglect of them also threatens the natural order in the world as they imperil other forms of life. We can ill afford to let the minefields remain and fester when we need good land to help reduce poverty, malnutrition, and disease. Massacres may win votes, but do not feed the hungry refugees. It is also ironic that we use the word “minefield” as a symbol of situations which are full of hidden difficulties and dangers which impede our attempts to reach agreements to end conflicts and resolve disputes. The minefield is the symbol of our madness and insanity in today’s world until we all recognize that we are all our “brother’s” keeper. David Attenborough tells us how adaptable mammals are to changing environments. Can we not also as human mammals do the same? One way we can show love in action is to work together to remove the landmines of their dangers and restore food production and the beauty of nature. The catastrophic effects of global warming ought to encourage us to do this as our food productions etc. are at risk. Would we not find through a shared sense of survival and co-operative effort our common humanity? We all have much more in common in this world with one another than we often realize and sitting around a table can open new dimensions in how we look at one another. We all need to discover our natural God-given ability to be adaptable in an ever-changing world. As St Paul reminds us, “God has made of one blood all nations to dwell in all the face of the earth.” (Acts 17:26) We are created to live in peace with one another. Christian Aid has an important slogan for us all this year “Peace is worth praying for.”
